

Call for Papers

The First Symposium on Computer Science and Applied Mathematics (CASM 2012)

The first Symposium on CSAM 2012 is a part of the 10th International Conference of Numerical Analysis and Applied Mathematics 2012 (ICNAAM 2012) that will be held on September 19-25, 2012 in Kypriotis Hotels and Conference Center, <http://www.kipriotis.gr/>, Kos, Greece (<http://www.icnaam.org/>)

Computer Science and Applied Mathematics Symposium focuses on new methods, technologies and applications of computer science and mathematics. The aim is to amalgamate some recent theoretical and empirical contributions that reflect current changes in technology and develop associations and interactions between ranges of disciplines.

Topics

Papers that address in Symposium on CSAM 2012 related to the following categories are welcomed. Some of key areas of focus are (but not limited):

- Computational Mathematics
- Computer & Network Security
- Fuzzy Logic & Fuzzy Set & (Fuzzy) Automata
- Pattern Recognition
- Soft Computing
- Information Security & Cryptography

Submission Information

The manuscripts should be submitted to the Symposium Chairs only by Email at: chenglian.liu@gmail.com or gxussl@163.com. Submitted paper should be in AIP (American Institute of Physics) format and should not exceed 4 pages.

Proceedings

The proceedings of the conference will be published in a Special Volume of the very famous AIP Conference Proceedings. The American Institute of Physics (AIP) is a very well known series of Conference Proceedings, which is included in the leading databases of scientific & engineering literature including [INSPEC](#) (an [IEE](#) product), [Scitation](#), [ISI Web of knowledge](#), [MathSciNet](#), [Scopus](#), [Scirus](#), [Google Scholar](#), etc. More information can be found at: <http://www.icnaam.org/proceeding.htm>

Distinguished papers accepted and presented in The First Symposium on CSAM 2012 will be published in appropriate journals.

- [Journal of Numerical Analysis, Industrial and Applied Mathematics \(JNAIAM\) \(Promacon\)](#), which is the official journal of European Society of Computational Methods in Sciences and Engineering
- [Mathematical Methods in the Applied Sciences \(Wiley & Sons\)](#)

Important Dates

Deadline for Paper Submission: April 1, 2012.

Paper Acceptance / Rejection Notification: May 20, 2012.

Camera Ready Submission and Registration Due: June 20, 2012.
